

Assignment 2 - January 18, 2022

Please read the assignment instructions carefully

Part 1: 'What Does Confirmation Mean to You?' Paragraph

- Write a paragraph about 'What Does Confirmation Mean to You?'
 - This paragraph should be 5-7 sentences, and can be hand-written or typed.

Part 2: Share with your parents

- Take the time to read this paragraph to your parents.
 - In March, you and your parents will be writing letters to the Archbishop requesting Confirmation. This is a great time to talk about the Sacrament so you and your family are prepared for letter-writing time.

Part 3: Mass Journals

- Many of you are missing December, Christmas, and January mass journals. This week you have some extra time to catch up! Make sure you are caught up with your mass journals by this week.

The written portions of this assignment will be handed in when we return to in-person learning.
